TOWN WARRANT

THE STATE OF NEW HAMPSHIRE (Tentative)

To the Inhabitants of the Town of Sanbornton in the County of Belknap in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in Sanbornton on Tuesday, the ninth day of March next, at ten of the clock in the forenoon to act upon the following subjects.

1. To choose all necessary Town Officers for the ensuing year.
2. To raise such sums of money as may be necessary to defray the Town Charges for the ensuing year and make appropriations for the same.
3. To see what action the Town will take upon the Budget as recommended by the Budget Committee.
4. To see if the Town will vote to authorize the Selectmen to hire sums and amounts of money as may be necessary to defray Town charges in anticipation of Taxes.
5. To see if the Town will authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's deeds.
6. To see if the Town will vote to raise and appropriate the sum of four thousand two hundred dollars (\$4200) for the purpose of purchasing a town truck and equipment, to be open for bids, bids subject to acceptance or rejection by the Selectmen.
7. To see if the Town will vote to raise and appropriate the sum of fourteen thousand dollars (\$14,000) for Maintenance of Highways and Bridges, six thousand dollars (\$6,000) allotted to Summer Maintenance and eight thousand dollars (\$8,000) for Winter Maintenance and equipment.
8. To see if the Town will vote to raise and appropriate the sum of one thousand four hundred dollars (\$1400) for the purpose of oiling black top roads.
9. To see if the Town will vote to raise and appropriate the sum of one hundred seventy-five dollars (\$175) for General Highway Expenses.
10. To see if the Town will vote to accept, raise, and appropriate the sum of nine hundred twelve dollars and fifty-five cents (\$912.55) for Town Rural Aid—T.R.A.

11. To see if the Town will vote to raise and appropriate the sum of one thousand dollars for permanent improvement (\$1,000). (Culverts).
12. To see if the Town will vote to raise and appropriate the sum of seven hundred dollars (\$700) for the purpose of making payment on the grader note.
13. To see if the Town will vote to raise and appropriate the sum of two hundred fifty dollars (\$250) for the Sanbornton Fire Department, to be used for Maintenance and equipment. By request.
14. To see if the Town will vote to raise and appropriate the sum of six hundred dollars (\$600) for the purpose of purchasing a used truck to be used to transport Forest Fire Fighting Tools and equipment.
15. To see if the Town will vote to raise and appropriate the sum of seven hundred dollars (\$700) for the Winnisquam Fire Department for the purpose of maintenance and operation of the department. By request.
16. To see if the Town will vote to raise and appropriate the sum of not over seventy-five dollars (\$75) to purchase and install five road signs on the five roads leading from the Lower Bay Road to the shore of Lake Winnisquam. The five roads would be those starting from the road leading to the Lena Cropley property through and including the Dr. True Road at the foot of Sarah Sanborn Hill. By request.
17. To see if the Town will vote to raise and appropriate the sum of twenty-five dollars (\$25) for Memorial Day.
18. To see if the Town will vote to raise and appropriate the sum of fifty dollars (\$50) for Old Home Day.
19. To see if the Town will vote to raise and appropriate the sum of one hundred fifty dollars (\$150) for band concerts. (By request).
20. To see if the Town will vote to raise and appropriate the sum of four hundred dollars (\$400) and make the same available for the use of the Library Trustees.
21. To see if the Town will vote to raise and appropriate the sum of one hundred dollars (\$100) for the Laconia Hospital. By request.
22. To see if the Town will vote to raise and appropriate the sum of fifty dollars (\$50) for the Franklin Hospital. By request.

23. To see if the Town will vote to raise and appropriate the sum of four hundred dollars for the eradication of White Pine Blister under the supervision of the State Forester. This should complete our program for several years. By request of the State.
24. To see if the Town will vote to raise and appropriate the sum of one hundred fifty dollars (\$150), one hundredth of one per cent of the Town valuation, for the Lakes Region Association.
25. To see if the Town will authorize the Selectmen to purchase four tenths Boston & Maine Preferred Scrip, in order that we may own one complete share and be in a position to sell upon the advice of our Bank Authority.
26. To see if the Town will vote to rescind the vote to use the Non-Partisan Ballot taken at a special Town Meeting and return to the Australian ballot with a caucus. By request.
27. To see what action the Town will take regarding a petition for the Town of Sanbornton to accept the Road called "Bay Shore Drive," leading off from the so-called Bay Road leading from Winnisquam to Sanbornton Square to Lake Winnisquam, as community property which is to be maintained by the Town of Sanbornton. Said Road to end at the end of the so called "Broadview Drive" but including drive from the Conlon Camp to and including the Maurice Jewett camp. By request.
28. To see if the Town will authorize the Selectmen to apply any money received for reimbursement for Town Relief, to the outstanding grader note. If reimbursement is made by way of Estate settlement, it would be around \$225.
29. To transact any other business that may legally come before said meeting.

Given under our hands and seal this twentieth day of February, in the year of our Lord nineteen hundred and fifty-four.

ELLWOOD V. BENNETT,
HOWARD W. SANBORN,
JOSEPH C. BODWELL.

Selectmen of Sanbornton

A True copy of Warrant (tentative)—Attest:

In Memoriam

IRVING M. JOHNSON

Town Clerk 194~~8~~⁹-1953

Tax Collector 1952-1953

Irving M. Johnson came to make his home in Sanborn-ton in 194~~8~~⁹. Seldom does there move into a community one who in so short a time wins such respect and confidence of all the people of the town as did "Johnny" Johnson, as he was familiarly known to his friends. The example of fine citizenship which he exemplified in his work as a town official, his fair and upright dealings with his clients as a realtor, and his neighborly acts and warm personality were all characteristics which will be the finest and most lasting memorial to an esteemed neighbor and friend.

TOWN CLERK'S REPORT

REPORTS OF VARIOUS DEPARTMENTS

Selectmen's Summary and Recommendations

ROADS — The condition of the roads is very vital to the welfare of a town, and their construction and upkeep is Sanbornton's biggest expense outside of schools. Robert Gilman, our Road Agent for 1953, started the year with no road experience and has, we feel, made very good progress in covering the total mileage and has in many cases greatly improved the roads.

The efficient use of the money appropriated for roads depends in great measure on proper and sufficient equipment, and we unanimously recommend the purchase of added equipment such as a truck and feel that the road money will help pay for same. Recognizing that the condition and permanence of our roads depend on proper drainage, we recommend the passage of the special appropriation for drainage as has been done the past two years.

This past year the Class V maintenance money was expended on the Woodman Road, so called, and we plan in 1954 to expend the T.R.A. money on that road starting at the Bay Meeting House.

The Selectmen have with the State Highway Department mapped the town as to permanent improvement of the highways over a period of 20 years. We invite your criticism of the proposed plan.

DUMP—After carefully investigating other possibilities we finally decided to come back to the site previously selected. We secured the approval of the State Board of Health and State Forest Fire Service, cleared the site of bushes, smoothed the area with a dozer and with the help of the local fire department, burned the brush and established a fire line around the site. The dump has been open Saturday afternoons and the attendant has as a rule kept the material burned as fast as received. As help is not generally available except on Saturdays the Selectmen recommend that the dump be kept open on Saturdays the coming year.

On October 17 the Selectmen met in conference with the Sanbornton Bay Improvement Association consisting largely of a group of our summer residents who own homes in the Bay section. We hope and trust that this get-together may be repeated and that it will foster a good understanding of our mutual problems as residents of Sanbornton.

Selectmen	{	ELLWOOD V. BENNETT,
		HOWARD W. SANBORN,
		JOSEPH C. BODWELL,

Sanbornton Fire Department**REPORT OF THE FIRE CHIEF**

With the money made available to the Fire Department we have been able to complete the insulation of the building, lay a cement floor and purchase small equipment such as gas masks and electric lanterns. The interior walls and ceiling are also nearly completed.

The Firemen have given generously of both time and material to make these improvements possible. We now have a warm serviceable building.

As a department, it is our desire that the townspeople visit the Fire Station at their convenience and see what has been accomplished.

Each year we are asking the voters for a small appropriation to defray the expenses of the Department and buy some small equipment.

We responded to twelve calls during 1953, the larger number being forest fires. We find our greatest weakness lies in our inability to move our Forest Fire tools without delay, as we are dependent upon someone with a truck to respond and load the equipment.

We strongly recommend that a small sum of money be raised and aside each year until a suitable used truck can be purchased.

Respectfully submitted,
(Signed) GEORGE S. CURRIER

At the close of the smelting season, the department went into the camp area and cleaned up empty bottles, etc. The campers seemed to appreciate this very much. It is a pleasure to work with our Conservation officers, Mr. Twombly, State Police George McKeagney, and others.

(Submitted) ALBERT LEIGHTON,
Health Officer

Report of Jonna M. Carter, State Nurse,

State Div. Maternity, Infancy & Child Hygiene,
N. H. State Board of Health

Six clinics were held in Tilton, these open for the residents of Sanbornton. Health examinations were done, children received toxoid immunizing against Diphtheria, whooping cough and tetanus. Children were vaccinated. We plan to continue these in the spring of March, 1954.

(Signed) JONNA M. CARTER,
State Nurse

People Play a Vital Part in Our Forest Fire Problems

A review of the 1953 fire season proves the vital part people in the never ending battle to prevent forest fires.

In this fire district there were 133 fires in 26 of the district's 30 towns; 409 acres were burned over and it cost \$9,499.97 to extinguish them. This figure was reduced somewhat through payment of fire costs by persons responsible for illegal fires, fires which escaped from control and fires caused by their carelessness. Costs were abnormally high this year due to protracted periods of dry weather which increased the difficulty of extinguishing fires.

Eighty-eight percent of the 133 fires were man-caused and could have been prevented. They tell a story which needs to be carefully studied. Some people were careless in disposing of smoking material and camp fires; others burned without the required warden permit—disregarding weather, forest conditions and the normal safeguards recognized and considered by the warden in issuing permits. Other fires resulted from children playing with matches, carelessly handled fireworks, faulty railroad and truck equipment, etc.

These fires cost a lot to extinguish, most of which could have been avoided—this affects taxes; local business was interrupted by men leaving their jobs to extinguish the fires; trees that might otherwise have built houses, repaired bridges and supplied raw materials for local industries were destroyed; seedling growth — the future timber crop was wiped out.

This picture can, however, be reversed if people who offend could be impressed with the importance of observing the simple but essential common sense safeguards that will prevent forest fires. They are:

1. Care in disposing of lighted cigars, cigarettes and matches in and near woodlands.
2. Care in selecting camp fire sites and completely extinguishing them.
3. Consultation with the local forest fire warden before burning to secure the required permit.

People play a vital part in our forest fire problem.

It is EVERYONE'S job to HELP PREVENT
FOREST FIRES.

THOMAS J. KING,
District Fire Chief

George S. Currier
Forest Fire Warden

Report of the Sanbornton Public Library

For the year ending December 31, 1953

Through the medium of the Sanbornton Public Library we endeavor to have or make available to the patrons such books and periodicals as they may request, and to assist those seeking knowledge and information to find the material they need. For this purpose the Librarian is available on Wednesday afternoons from one to five o'clock at the Library, and will gladly accommodate any patrons who find it impossible to come during that time.

Books loaned from the Library during 1953 totaled 3,939, adult 438, children and youth, 3,500 which does not include those loaned from the Bookmobile. Because these young people are our most active patrons, we desire and shall endeavor to have a supply of good reading matter on our shelves for their use.

During the year we have added 28 more books for adults, and 38, for children. We appreciate the generosity of several friends who have presented valuable reading matter to our Library.

On each of six Wednesday afternoons during the summer a story hour was held for the children with Mrs. Morse, Mrs. Coombs and Mrs. Bodwell reading.

For its Community Project in 1953, Harmony Grange repaired and redecorated Academy Hall over the Library room. They, together with the Historical Society and other interested friends, contributed more than 150 hours of labor and \$80 in cash to this project, completing the Hall and the lower vestibule. They also erected the Library sign given by the late Eva B. Lauder, a former Trustee, and further improved the outside appearance by cutting down a dead tree and trimming low branches from other trees. The Trustees appreciate the greatly improvement this has made to the Library property.

We are deeply grateful to the Bingham family for the gift of \$100, Major Bingham's Soldier's Bonus for service in World War II. This is to start a Memorial Fund for their son, George Forrest Bingham, who died on December 1, 1952, while in active service.

Respectfully submitted,

ANNETTE C. LARSON
GEORGE W. H. GILMAN
CLARIS H. BODWELL

Mrs. Beatrice Nordholm	Music Supervisor
Miss Marion G. Moynihan	Nurse

ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens
of the Sanbornton School District:

I herewith submit my fourth annual report as your Superintendent of Schools.

Another year has passed since my last report and with its passing has come new problems. School problems are pretty much the same the nation over. States are reporting that they are suffering from teacher shortages, building needs are evident, and they are beset with financial difficulties. We know these conditions to exist in our own state and feel them in Sanbornton. I would like to touch briefly in this report on our personnel, future enrollments, building needs and the financing of education for the youth of Sanbornton.

Personnel

During the past year we have had a number of changes in the staff at the Central School. Mrs. Eugenia Carroll tendered her resignation as teacher of grades 7 and 8 last June. The Board was fortunate in securing the services of Mr. Steve J. Tassey of Tilton, a graduate of Plymouth Teachers College. He had served as substitute teacher in the Franklin system during the last half of the school year. Mr. Tassey also serves as the teacher of physical education during our club period and will be the coach for the boys' teams.

Mrs. Annette Larson tendered her resignation in June in order to complete work at Plymouth Teachers College for her degree. Again, we were fortunate in securing the services of Miss Flora Gomò of Franklin, a teacher of many years experience, to teach the third and fourth grades.

The Board appointed Mrs. Beatrice Nordholm of Tilton to fill the position left vacant by the resignation of Mrs. Estelle Watts as the Supervisor of Music.

Mr. Neil Reynolds was appointed to fill the position of Janitor which was left vacant by the resignation of Mr. Richard Currier.

With these changes we have continued to give your boys and girls the very best possible education.

Future Enrollments

The Central School is growing bigger each year so far as the number of children enrolled is concerned. The census report shows that we will have a continuing large number of children entering our school. Past experience has shown that we have a number of families moving into the community thus increasing the enrollment in the schools. At the present time, we have 117 pupils in the school with the prospect of its increasing in the coming years. Some of your rooms are already crowded. You now have the smallest number of tuition pupils that you will have for a few years. Your high school attendance will grow to a figure of 50 or 60 within a short while.

Building Needs

Along with the increase in the enrollments will come the need for additional housing of pupils. It is not too early to begin to think of the alternatives to meet this need when it is upon you. I would like to suggest, for your consideration, that you begin to make plans for the possible addition on the existing plant or an entirely new unit to be built near the center of the growing area. A building to house the pupils of the lower grades could be built thus relieving the load at the Central School and freeing the auditorium for its intended use.

There is a serious lack of storage space at the Central School. There are a number of wasted areas which could be recovered at a slight expense which would make up for this lack. I hope that this item will be given considerable thought and attention by you.

Financing of Education

Again, as in the past few years, the cost of education is increasing. There are a number of factors which influence this cost. These include teacher shortages, increase in cost of materials, increased enrollments, and the desire for greater services.

Unfortunately the brunt of the payment for the support of schools comes upon the property owner. Until we have a more adequate financing of education on the state level we will continue to have the burden fall on the owners of prop-

erty. The amount of money needed for the support of schools in small communities is becoming greater than that needed for all the rest of the needs of the community.

You, the people of Sanbornton, have been most generous in your support of the schools. You want your boys and girls to have the very best that is possible for you to give. For that I want to commend you. At the same time I would like to point out that without some kind of aid the costs will continue to increase as the years go by. Tuitions charged by other districts are increasing and since Sanbornton has no high school of its own, it must pay the amount requested by the receiving districts. This coupled with the other costs due to increasing enrollments will not allow for decreasing payments for the support of schools.

General

I am happy to report that your schools are being operated effectively and efficiently. The staff is working for your boy or girl and seeing that the very best possible training is given. The Parent Teacher Association has been a tremendous help in the school and for this I am grateful. It is only with this kind of cooperation that we can go forward to make the community a better place for your boys and girls.

I cannot close this report without expressing my appreciation to all who have been so helpful in the operation of the school. Without your help the advances we have made would not have been possible. I hope that you will continue to give support.

Respectfully submitted,
FRED W. SNELL,
Superintendent of Schools

January 4, 1954

I submit the following report:

Total salary paid for the period July 1, 1952 to
June 30, 1953 was \$6,600.00.

Of this amount the amount from per capita
tax was

\$2,275.00

The Districts in the Union paid

4,325.00

The share which each district paid is as follows:

Franklin	\$3,265.37	
Hill	216.25	
New Hampton	445.48	
Sanbornton	397.90	\$4,325.00

REPORT OF THE SCHOOL NURSE

To the Superintendent of Schools:

The School Health Service which just before the turn of the twentieth century began as a program for the control of communicable diseases has now become one of the most significant aspects of the Public Health Service. Because it reaches the entire school age group, it is concerned with the largest and most important segment of the general population. Orientated towards the protection and guidance of the health of the child both in school and the home, it endeavors not only to help the pupils to improve and maintain their own health, but also to teach and help them to assume their share of responsibility for promoting good health in others.

In its attempt to protect and promote the well-being of the child, the School Health Service must ever be alert to those aspects of physical health which are related to educational success. This is particularly true in the areas of vision and hearing. Defects in the functioning of either sight or hearing become important health and educational problems. In order to detect difficulties in both areas, 125 of the Sanbornton school children were administered precise vision and hearing tests. The Massachusetts Vision Test which is used in our schools enjoys pre-eminence as a diagnostic test and its sub-tests include methods for the determination of eye muscle imbalance, farsightedness and a special arrangement of the Smellen E chart for measuring visual acuity. The hearing test which was administered to the same 125 pupils is an equally precise diagnostic measure known as the Puretone Audiometer Test and is particularly helpful in determining the child's ability to hear and distinguish the vowel and consonant sounds of spoken language.

Nutrition experts and school administrators are not inclined to agree that the ordinary portrayal of the American school child as the rosy cheeked, energetic and smiling boy or girls so frequently pictured in our popular magazines is actually the case. Despite the general recognition that health and happiness are significantly related to good dietary practices, surveys made in recent years show a great need for improvement in the eating habits of American children. In our own school, the Hot Lunch program which has been in existence for some time has contributed considerably towards aiding nutrition and improving eating habits. At

this time, I would like to express my sincere gratitude to the Tilton Chapter of the American Red Cross for their assistance in furnishing a hot lunch for a deserving child.

The School Health Service has never lost sight of the work that first brought it into existence namely the control of communicable diseases, particularly tuberculosis and diphtheria. Precaution has always been the keynote here. In this respect, one of the best methods for observing and checking tuberculosis in its incipient stages is the use of the Tuberculin Skin Test. A harmless yet most diagnostic test. On March 10, 1953 the Tuberculin Skin Test was given to twenty-four children.

Diphtheria, once a serious menace, is now less dangerous because of more effective immunization techniques, the comparative ease of accurate diagnosis and the availability of highly effective curative treatment. Six children attended the Toxoid clinic during the months of April and May. The June clinic was cancelled due to a case of Infantile Paralysis in the town of Tilton.

The children were weighed and measured three times during the year. A report of the results was sent home.

Because tooth decay affects to some extent, about ninety-eight per cent of the total population of the United States, dental health has always played an important role in the school health programs. While correction is essential in treating the disease process, medical science emphasizes prevention and the inculcation of regular teeth brushing habits starting at an early age and continuing throughout life. A dental clinic was held with Dr. Joel Nordholm of Tilton. Twenty-one children attended and twenty-four children went to their own dentist.

The importance of detecting disorders in their incipient stages cannot be over-emphasized. To this end, physical, dental, vision and hearing examinations were given to 124 pupils by the nurse. Five children had their glasses changed, one child secured new glasses and two children had their vision checked by a doctor.

In affording closer supervision of the health needs of the school child and better opportunity for individualized health education while encouraging at the same time, closer

school, parent and community understanding, the School Health Program endeavors to develop healthier, happier, and better adjusted citizens in the years to come. As in the past this encouragement and support has been characteristic of the Sanbornton school staff and the Sanbornton community during the past year.

I wish at this time, to express my sincere thanks to the Sanbornton School Board, the Superintendent, teachers, parents and pupils for the wholehearted cooperation during the past year.

Respectfully submitted,

MARION G. MOYNIHAN, R. N.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Sanbornton qualified to vote in District affairs:

You are hereby notified to meet at the Sanbornton Central School in said District on the sixth day of March, 1954, at 7:45 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.
6. To see if the District will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and for the payment of statutory obligation of the District, as determined by the School Board in its annual report.
7. To see if the District will vote to petition the State Tax Commission to have an audit made by the Division of Municipal Accounting, and to make an appropriation to cover the expense of such audit.
8. To see if the District will vote to pay tuition to high schools in excess of the State Average.
9. To see if the District will vote to raise and appropriate the sum of four hundred dollars for the purpose of remodeling and building additional storage space for books and supplies at the Central School.
10. To see if the District will vote to raise and appropriate the sum of four hundred-seventy-five dollars for the purpose of capping with insulation the attic of the Central School.
11. To transact any other business which may legally come before said meeting.

Given under our hands at said Sanbornton this 17th day of February, 1954.

SANBORNTON BAY ASSOCIATION

On August 29, 1953 a new organization was founded in the Town of Sanbornton, N. H. and its membership is made up of both residents and non-residents of the town. The requirements are that a member must be an owner of real estate in the town or a member of an owner's family. The purpose of the organization is to work for improvements in the town and for better social relationship between the residents and non-residents of the town. The social relationship in our Lake Region towns could be much better than it has been in the past. Many of the members recognized this fact and decided to do something about the problem in a legal way.

The corporation papers of the Association were recorded with the Town Clerk of Sanbornton at 11:00 A.M. on September 11, 1953 and with the Secretary of State, State of New Hampshire on September 16, 1953.

The Sanbornton Bay section of the Town of Sanbornton has had a tremendous growth in building in the past ten years and, with this growth, the problem of sanitation, fire hazards, roads, zoning and social activities will be greater and the membership of the Association believe they can be of service to the Town in solving these problems.

The Association membership plan to have two social gatherings during the 1954 season, one during the early summer and one about Labor Day.

As of December 31, 1953, the Association membership represents better than Three Hundred Thousand Dollars of taxable property or approximately one-fifth of the total valuation of the town.

Sincerely,

E. V. CHESLEY,

President
